

# BIA Cordon Bleu

VOLUME 69

## dear customer

Every year we work hard to bring you new products. While 2020 was a year many of us would like to forget, we've still been hard at work finding fun, functional and fashionable ceramics & kitchenware.

As *work from home* turned into *cook at home* then *eat at home*, many of us realized this year that our kitchens were a bit lacking. Whether your customer is a casual cook or a professional chef, BIA Cordon Bleu offers an array of innovative cooking, serving and entertaining solutions.

As always, we thank all of you, our loyal customers, for your support and inspiration. Now take a look inside to see what's new!
