

BIA CORDON BLEU

■ VOLUME 72

Dear Customers

BIA Cordon Bleu is pleased to present its 73rd collection of bakeware, dinnerware and kitchenware for home and restaurant use. Founded in 1952 by French and Belgian expats, these entrepreneurs wanted to offer the American market innovative kitchenware that they knew was only available in Europe at the time. Seventy some years later, we're still following in their footsteps by sourcing fun, functional and fashionable products for your entertaining and culinary needs.

Take a look through the pages that follow to find BIA's latest offerings of innovative cooking, serving and entertaining solutions for the casual cook, as well as the professional chef. Our products are strong enough for restaurant use but look equally at home in a casual kitchen, formal dining room or backyard barbeque. BIA products are perfect for wherever you live, however you cook and whenever you entertain.

We hope you'll like our new products and many thanks to you, our loyal customers, for seventy plus years of support and inspiration!
