BIA CORDON BLEU

Innovative cooking, serving and entertaining solutions

Revised 8-2026

Innovative cooking, serving and entertaining solutions perfect for wherever you live, however you cook and whenever you entertain.

Dear Customers

BIA Cordon Bleu is pleased to present its 74th collection of kitchen and housewares for both the Casual Cook and the Professional Chef. As consumers continue the *easy entertaining* trend, our **Honeycomb** and **Victoria's Veggies** collections provide serving & entertaining solutions with a *farm-to-table* appeal. But if your design aesthetic is a bit more contemporary, then check out our **Serving Solved** collection that offers a more minimalist and younger take on home entertaining. BIA products are perfect for wherever you live, whenever you cook and however you entertain.

Founded in 1952 by French and Belgian expats, these entrepreneurs offered the American market unique and innovative kitchenware that was only available in Europe at the time. Seventy some years later and still based in Northern California, we're still following their lead by sourcing fun, functional and fashionable products for your entertaining and culinary needs.

We hope you'll like our new products and many thanks to you, our loyal customers, for seventy plus years of support, feedback, and inspiration!
